\*Your organization must provide your own signage, tent, table & chairs. You may provide any materials that advertise your organization that you wish. You may take donations for your organization if you wish. You cannot sell any food or beverages for any reason. Products that are sold and profits will go toward your [non-profit] organization are acceptable.

How adoptions are handled will be the sole discretion of each specific organization. Organizations may do onsite adoptions or just have dogs there and take applications. This is all dependent of each organization's own rules, regulations, policies and procedures.

Each organization may have no more than a total of 6 adoptable dogs on site. You may have them crated or on-leash. No crate-aggressive dogs or dogs leery of kids at this adopt-a-thon, please.
